Who we are, what to expect, Waiver and release of Liability

8920 Paxton Rd, Jacksonville, FL 32219 904-805-3411

Our mission is in our name: Nothing will stand without a strong foundation. We build this by first bridging the communication gap between dog and handler. (see www.FoundationFirstK9.com for full statement)

We are a family run business that greatly values you, our customer, and welcome you to our pack!

We value respect for people and dogs. We strive to treat everyone with dignity and respect. We value differences in our dogs, employees, volunteers, clients and community, and we ask everyone to do the same while here. We're here to help you and your dog be the best your can, whether that's to have a well behaved family pet, personal protection dog, or anything in between. We're here for the dog, and ego has no place here, from us or our customers. Please come with an open mind. We will listen to you, and help you understand your dog, how he thinks, and how to provide what he needs from you to be his best. We're not here to make ourselves look good, especially at the dogs expense. We may even frustrate you when we won't push your dog faster than the dog should be progressing. We ask that you let us know if we are saying anything you don't understand, or don't agree with. Please refrain from political discussions, foul language or derogatory statements, or smoking while here. We are a family friendly environment.
